## Digital MP3 Player CNR-MP6

The CNR-MP6 is a small, lightweight and convenient player that supports both MP3 and WMA files. Flexibility is yours with this product, as it provides you with valuable and easy to use functions: a built-in voice recorder, FM tuner and recording, lyric synchronization, and data storage. You can also navigate easily through your favorite songs with the Backlit LCD screen, and enjoy a playback time of six hours with a rechargeable Lithium ion battery. Available with a memory up to 4 GB with a simple USB connection, this player offers you a great design and functionality at an affordable price.

### Key Features

- Decoding format: MP3, WMA
- FM tuner with FM recording function
- Digital voice recording by ADPCM format
- Support 3D surround effect
- ID3 tag display & Lyric synchronization
